

Cross Sectorial Collaboration and Diaspora Collaboration Current Trends and Goals

"EU-Russia S&T cooperation. Related support instruments and **future opportunities**"

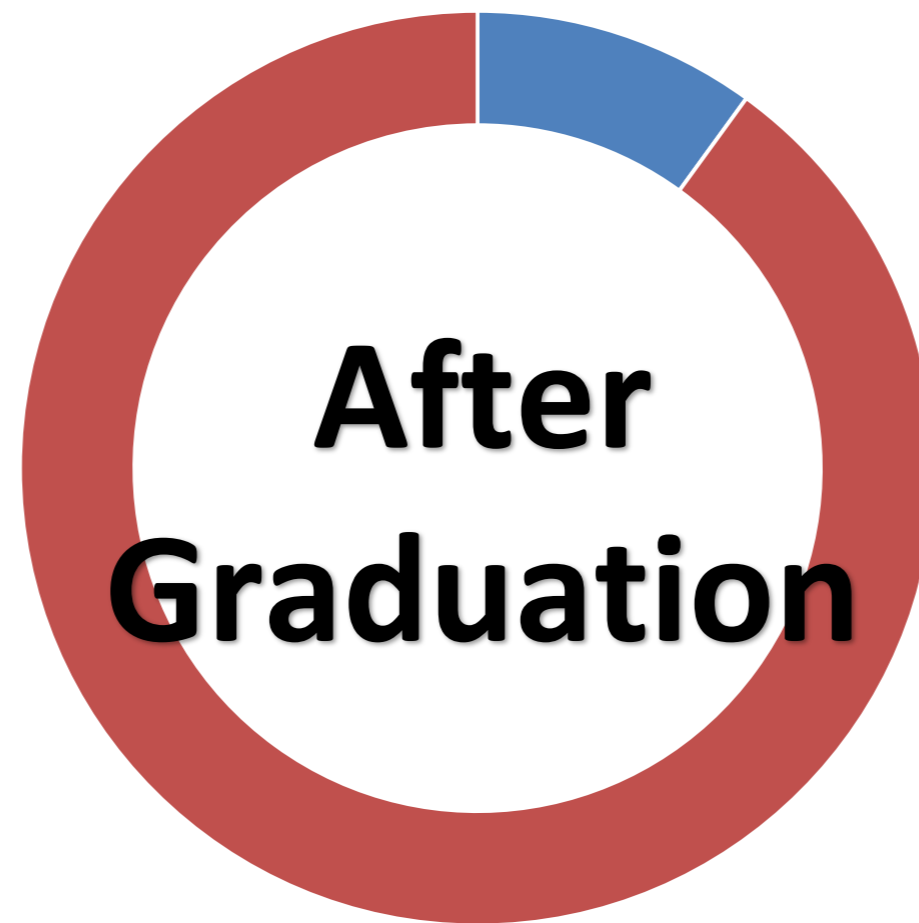

Dr. Isser Peer
IP&D, Israel

St. Petersburg, 7.10.2016

Current situation

For more than thousand years, Universities have a monopole on PhD.

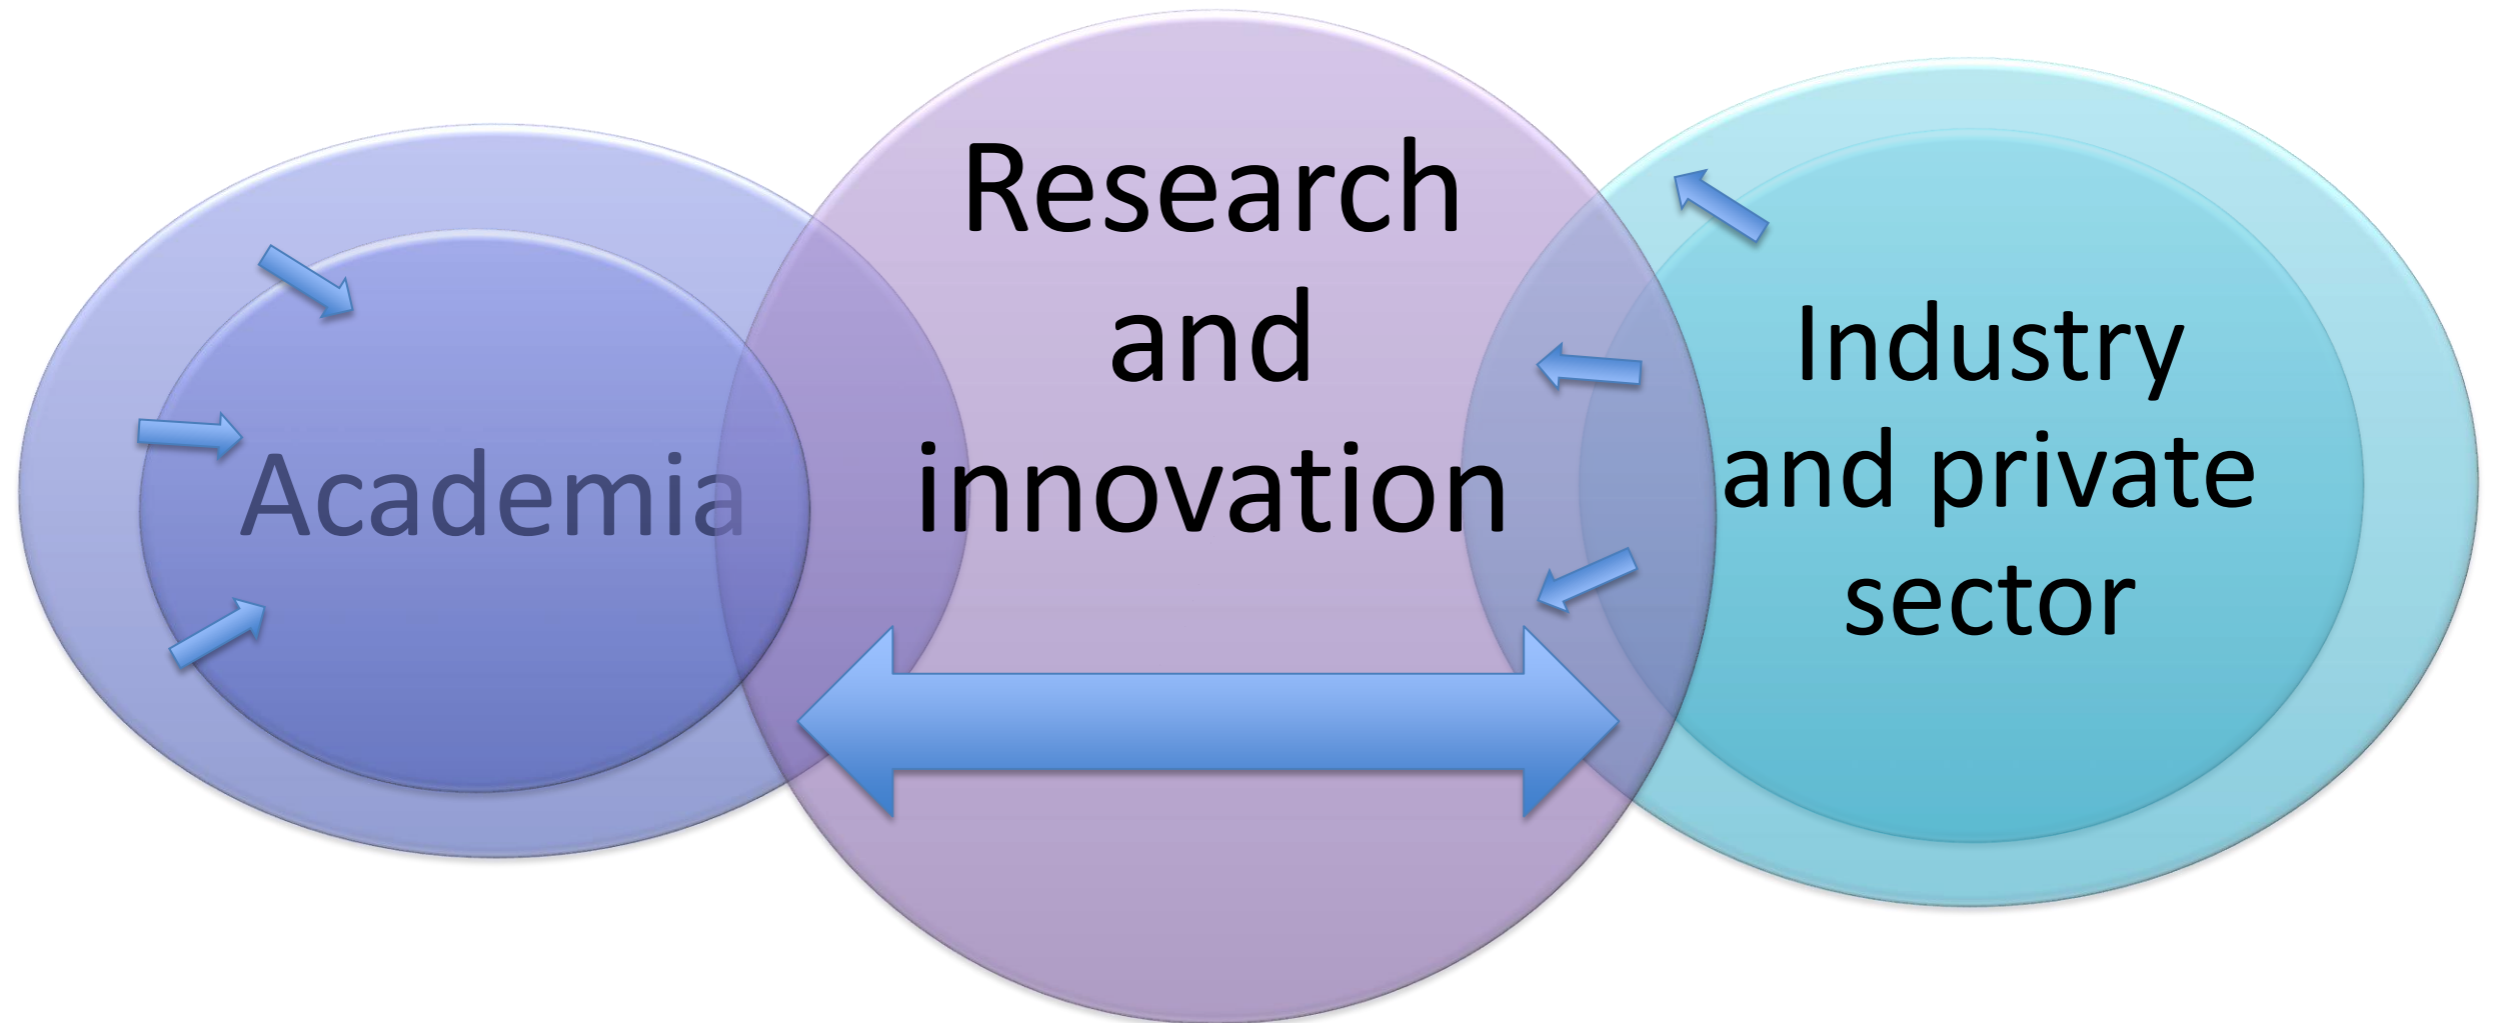

But....

- Academia
- Private sector

St. Petersburg, 7.10.2016

Current situation

- More research in the private sector compare to academia
- More cooperation between academia and private sector

Current situation

Global changes in research areas

- Are universities leading the global research?
- Research is flourishing in private sector
- Basic research?

St. Petersburg, 7.10.2016

**What could
be done now?**

St. Petersburg, 7.10.2016

Cross Sectorial Activities of the EURAXESS Network

Career
development for
researchers within
private sector

Can we?

Collaboration with
industry and
private companies

How?

Cross Sectorial Collaboration

Initiative Basis:

- Decision of extending the Euraxess Centers activities
- Call by the EU Commissioner for Research Science and Innovation
 - Open Innovation
 - Open Science
 - Openness to the World

St. Petersburg, 7.10.2016

What does it mean?

- **Cross-sector collaboration**
 - Enhancing International Innovation Cooperation,
 - Creation of added value for Europe in knowledge exploitation.
- **Under the limitations of the Commission**

Cross Sectorial Collaboration

What could be done now?

New initiative:

The (Euraxess) Intersectorial Forum

St. Petersburg, 7.10.2016

Suggested Activities

- Young entrepreneurs and start-ups
- Integration of researchers into the business environment
- Providing policy and practical information regarding the start-up and entrepreneurship environment
- Dual careers
- Incentives for researchers
- Policy and practical support for SMEs
- Career development
- Exchange of good practice
- **More of your ideas.....**

Looking to the Future

**Collaboration with other forums
and network outside the EU**

- **North America**
- **Russia**
- **Asian countries**
- **South America**

St. Petersburg, 7.10.2016

"EU-Russia S&T cooperation. Related support instruments and **future opportunities**"

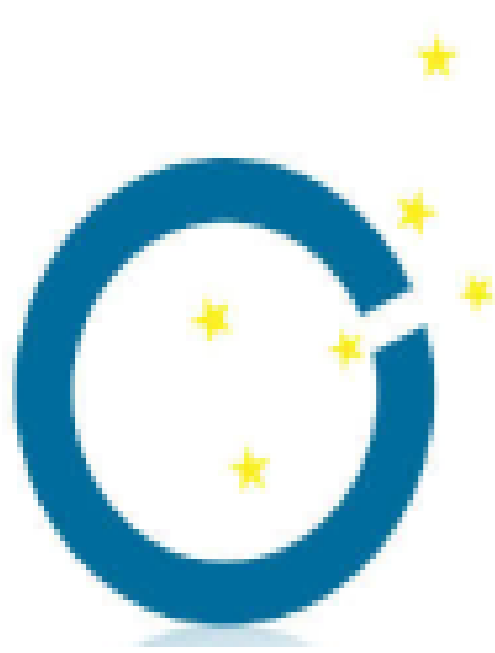

Diaspora Collaboration

Current Trends and Goals

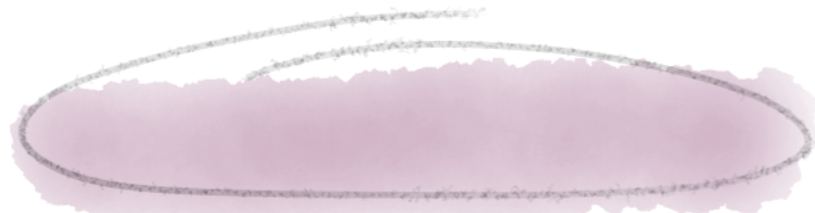

St. Petersburg, 7.10.2016

Diaspora Collaboration

- Working with Diaspora networks – a database of Diaspora researchers, guidelines for working with Diaspora researchers

Accelerators

St. Petersburg, 7.10.2016

Diaspora Collaboration

About 10% of the researchers in the Academia have **patent applications**, handle with **start-ups** and **spin-offs**

Important **growth engines** of the global market and crating **new jobs**

Diaspora Collaboration

Accelerators

- Mapping
- e-Applications
- Brain gain
- Join informal
