

# CREMLIN PLUS

Connecting Russian and European Measures  
for Large-scale Research Infrastructures

## The CREMLINplus Fellowship Programme

Announcement of the 2-d permanent call

**Opening date: November 22, 2021**

The National University of Science and Technology MISIS (NUST MISIS) and the University of Milano-Bicocca (UNIMIB) are pleased to announce a 2-nd permanent call of the CREMLINplus Fellowship Programme (CREMLINplus FP) within the CREMLINplus project of EU Research and Innovation programme Horizon 2020.

The call will be permanently open from November 22, 2021 up the end of 2023, but proposals will be evaluated after **4 certain cut-off dates per year**.

CREMLINplus FP **offers scholarships** supporting the participation of managers and operators of the Russian Research Infrastructures in the thematic and horizontal training courses/summer schools/workshops/conferences dedicated to improving skills and ways of managing research infrastructures in the 6 thematic domains according to ESFRI classification. These training initiatives also make focus on cross-cutting themes relevant to all research infrastructures.

Candidates can choose any event from a **LIST** developed in line with the CREMLINplus FP objectives and regularly updated. They also can apply for participation in any event not included in the LIST, if it meets the objectives of the CREMLINplus Fellowship Programme.

The **scholarships cover all support costs**: travel costs, accommodation, the registration fee, visa and insurance.

**The call is open** to employees of Russian Research Infrastructures, who meet the requirements and the eligibility criteria of the Cremlinplus FP (please, see the Call documentation)

**The next cut-off date is 22 December 2021.**

All applications should be **submitted online** through the website of the National Contact Point (NCP) for Research Infrastructures:

<http://h2020-infra.misis.ru/ru/cremlin-plus-ru/stipendialnaya-programma> (the Russian page of call)

<http://h2020-infra.misis.ru/en/fellowship-programme> (the English page of the call)

**The LIST of available events** and the **Call documentation** including the eligibility criteria, application procedure, the application form and supporting documents are available at these webpages.

All applicants will be notified on the results of the selection process in due time, as defined in Call documentation.

**CONTACTS:** Any queries relating to the call can be addressed to Marine Melkonyan (NCP for Research Infrastructures) by emailing [cremlinplus@misis.ru](mailto:cremlinplus@misis.ru) or by phone: **+7 (916) 7079257**
